PRE-SCHOOLS

PRE-SCHOOLS

SCOH (Stichting Christelijk Onderwijs Haaglanden) is a foundation comprising pre-schools, primary schools and schools for children with special educational needs.

We currently run 21 pre-schools that prepare children for primary school education. We provide a safe, secure and supportive environment for children to learn through play, discovery and exploration. Our teachers are experienced in organising a wide range of activities with a clear focus on language development.

SCOH pre-schools in your area

Ready for primary school

Your child's development is of the utmost importance to us. Children in pre-school learn through play, discovery and exploration. You will be able to see their progress at home. The teaching staff at our primary schools notice it, too. Children who have attended pre-school have larger vocabularies and recognise the language used in Group 1.

Safe, secure and supportive

Our caring and dedicated teachers are committed to your child's development. They give the children all the attention they need. Our teachers create a safe, secure and supportive environment where everyone feels welcome – parents included.

From pre-school to primary education

Our pre-schools and primary education are located in the same building. In most cases, children who have attended pre-school with us automatically move up to Group 1 at our primary school. This means they stay in familiar surroundings and can start primary school surrounded by their friends. It makes the transition much easier for them

COME AND VISIT US

Choosing a pre-school for your child is an important decision. Visiting us is a good way to determine if we are the right fit for your child. You are very welcome to come and visit one of our pre-schools. Please make an appointment and we will be happy to show you around.

Our teachers will be glad to answer any questions you may have. They will describe a typical day at pre-school and show you around our classrooms. They will also explain why it is so important for young children to learn and play. Children are of course welcome to come along to see the school.

REGISTERING AT A SCOH-PEUTERSCHOOL

Thank you for your interest in enrolling your child at a SCOH pre-school. Your child is most welcome to join us to learn and play. We take children from the age of 2.5, but we recommend you register your child as early as possible so that we can reserve a place for them. Please complete our online registration form to enrol your child at one of our SCOH pre-schools.

Completing the form

The online registration form is divided into five sections. You can return to any section if you need to make any changes via the menu on the left. To fill in the form, you will need your BSN number (Dutch citizen service number) and other information such as your contact details.

Need any help?

If you need help filling in the online registration form, please don't hesitate to contact us. You can reach us on weekdays (Mon-Fri) from 9.00 AM - 1.00 PM at 070-3110199 or via email at peuterscholen@scoh.nl. You are also welcome to visit one of our pre-schools. A staff member will gladly help you complete the form.
